Specifications and colourations are subject to manufacturing tolerances. As part of the GH Commercial continuous improvement program, GH Commercial reserves the right to change the specifications of or delete colours of this product without notice. While all care is taken, product images may vary in colour due to possible printing process variations. Images do not seek to duplicate the exact visual appearance, but serve merely as a guide or point of reference.

All GH Commercial carpet tiles and planks must be installed in accordance with AS2455 Parts 1 & 2 (latest version) and the GH Commercial Carpet Tile/Plank Installation Instructions.
Chair pads are recommended under office chairs with roller castors to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear.
Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce soiling.
~Test results and certificates are available on request.
*Guarantee is in addition to any rights consumers may have under Australian consumer laws. Terms and conditions apply - for full information in respect to the scope of the guarantee please contact your GH Commercial Account Manager or our Head Office.
